MARTIAL ARTS DIE: d6

KI SAVE DC: 11

KI POINTS — Used / Total: 9

MARTIAL ARTS (LEVEL 1)

You gain the following benefits while you are unarmed or wielding only monk weapons and you aren't wearing armour or wielding a shield:
- You can use Dexterity instead of Strength for the attack and damage rolls of your unarmed strikes and monk weapons.
- You can roll a d4 in place of the normal damage of your unarmed strike or monk weapon. This die changes as you gain monk levels.
- When you use the Attack action with an unarmed strike or a monk weapon on your turn, you can make one unarmed strike as a bonus action.

KI (LEVEL 2)

You can spend ki points to fuel various ki features. You regain all expended ki points when you finish a short or long rest. You gain the following features at the level indicated:

- **Level 2 - Flurry of Blows:** Immediately after you take the Attack action on your turn, you can spend 1 ki point to make two unarmed strikes as a bonus action.
- **Level 2 - Patient Defence:** You can spend 1 ki point to take the Dodge action as a bonus action on your turn.
- **Level 2 - Step of the Wind:** You can spend 1 ki point to take the Disengage or Dash action as a bonus action on your turn, and your jump distance is doubled for the turn.
- **Level 3 - Deflect Missiles:** You can spend 1 ki point to make a ranged attack with the weapon or piece of ammunition you just caught, as part of the same reaction. You make this attack with proficiency, regardless of your weapon proficiencies, and the missile counts as a monk weapon for the attack.
- **Level 5 - Stunning Strike:** When you hit a creature with a melee weapon attack, you can spend 1 ki point to attempt a stunning strike. The target must succeed on a Constitution saving throw or be stunned until the end of your next turn.
- **Level 14 - Diamond Soul:** You gain proficiency in all saving throws. You can spend 1 ki point to reroll a failed save. You must use the second result.
- **Level 18 - Empty Body:** You can use your action to spend 4 ki points to become invisible for 1 minute. During that time, you also have resistance to all damage but force damage. Additionally, you can spend 8 ki points to cast the astral projection spell, without needing material components. When you do so, you can't take any other creatures with you.
- **Level 20 - Perfect Self:** When you roll for initiative and have no ki points remaining, you regain 4 ki points.

UNARMOURED MOVEMENT (LEVEL 2)

Your speed increases by 10ft while you are not wearing armour or wielding a shield. This bonus increases to 15ft at **6th level**, 20ft at **10th level**, 25ft at **14th level**, and 30ft at **18th level**.

At **9th level**, you gain the ability to move along vertical surfaces and across liquids on your turn without falling during the move.

MONASTIC TRADITION FEATURE (LEVEL 3)

Fangs of the Fire Snake.
When you make an unarmed attack on your turn, you can choose to strike out tendrils of flames which stretch out beyond your normal reach. Your reach increases by 5 feet for that attack, and it deals fire damage instead of bludgeoning damage. If the attack hits you can spend 1 ki point to deal an extra 1d10 fire damage.
Fist of Unbroken Air. When you make an unarmed attack on your turn, you can choose to strike out condensed bursts of air which stretch out beyond your normal reach. Your reach increases by 10 feet for that attack. If the attack hits

DEFLECT MISSILES (LEVEL 3)

You can use your reaction to deflect or catch the missile when you are hit by a ranged weapon attack. When you do so, the damage is reduced by 1d10 + your Dexterity modifier + your monk level.

If you reduce the damage to 0, you can catch the missile if it is small enough for you to hold in one hand and you have at least one hand free. See "**Ki**" above for more.

SLOW FALL (LEVEL 4)

You can use your reaction to reduce any falling damage you take by an amount equal to five times your monk level.

EXTRA ATTACK (LEVEL 5)

You can attack twice, instead of once, whenever you take the Attack action on your turn.

KI-EMPOWERED STRIKES (LEVEL 6)

Your unarmed strikes count as magical.

MONASTIC TRADITION FEATURE (LEVEL 6)

Water Whip. You can spend 1 ki point as a bonus action to create a whip of water that shoves and pulls a creature to unbalance it.
Effortless Step. Your jump height and distance are doubled (quadrupled with Step of the Wind) and you gain advantage on Strength (Athletics) checks related to jumping.

EVASION (LEVEL 7)

When you make a Dexterity saving throw to take only half damage, you instead take no damage if you succeed on the saving throw, and only half damage if you fail.

STILLNESS OF MIND (LEVEL 7)

Action. End the charmed or frightened effect on yourself.

PURITY OF BODY (LEVEL 10)

You are immune to disease and poison.

MONASTIC TRADITION FEATURE (LEVEL 11)

TONGUE OF THE SUN AND MOON (LEVEL 13)

You understand all spoken languages.

TIMELESS BODY (LEVEL 15)

You suffer no effects of old age, and can't be aged magically. You can still die of old age. You no longer need food or water.

MONASTIC TRADITION FEATURE (LEVEL 17)

RACIAL TRAITS

Dwarven Resilience. You have advantage on saving throws against poison, and you have resistance against poison damage.
Stonecunning. A +9 on History checks related to origin of stonework.
Duergar Resilience. You have advantage on saving throws against illusions and against being charmed or paralyzed.
Sunlight Sensitivity. You have disadvantage on attack rolls and on Perception checks that rely on sight when you, the target of your attack, or whatever you are trying to perceive is in direct sunlight.
Duergar Magic (1/Long Rest). You can cast enlarge and invisibility on yourself. (Spellcasting: Intelligence)

ADDITIONAL FEATURES

Control Flames

LEVEL 0

Class: Monk

RANGE	ACTION	SAVE
60 feet	1	-

DURATION	USES	VALUE
Instantaneous or 1 Hour	Used / Total	-

RECOVERS: S

EFFECT

You choose nonmagical flame that you can see within range and that fits within a 5-foot cube. You affect it in one of the following ways:
You instantaneously expand the flame 5 feet in one direction, provided that wood or other fuel is present in the new location.
You instantaneously extinguish the flames within the cube.
You double or halve the area of bright light and dim light cast by the flame, change its color, or both. The change lasts for 1 hour.
You cause simple shapes—such as the vague form of a creature, an inanimate object, or a location—to appear within the flames and animate as you like. The shapes last for 1 hour.
If you cast this spell multiple times, you can have up to three of its non-instantaneous effects active at a time, and you can dismiss such an effect as an action.

Gust

LEVEL 0

Class: Monk

RANGE	ACTION	SAVE
30 feet	1	-

DURATION	USES	VALUE
Instantaneous	Used / Total	-

RECOVERS: V, S

EFFECT

You seize the air and compel it to create one of the following effects at a point you can see within range:
One Medium or smaller creature that you choose must succeed on a Strength saving throw or be pushed up to 5 feet away from you.
You create a small blast of air capable of moving one object that is neither held nor carried and that weighs no more than 5 pounds. The object is pushed up to 10 feet away from you. It isn't pushed with enough force to cause damage.
You create a harmless sensory affect using air, such as causing leaves to rustle, wind to slam shutters shut, or your clothing to ripple in a breeze.

Mold Earth

LEVEL 0

Class: Monk

RANGE	ACTION	SAVE
30 feet	1	-

DURATION	USES	VALUE
Instantaneous or 1 Hour	Used / Total	-

RECOVERS: S

EFFECT

You choose a portion of dirt or stone that you can see within range and that fits within a 5-foot cube. You manipulate it in one of the following ways:
If you target an area of loose earth, you can instantaneously excavate it, move it along the ground, and deposit it up to 5 feet away. This movement doesn't have enough force to cause damage.
You cause shapes, colors, or both to appear on the dirt or stone, spelling out words, creating images, or shaping patterns. The changes last for 1 hour.
If the dirt or stone you target is on the ground, you cause it to become difficult terrain. Alternatively, you can cause the ground to become normal terrain if it is already difficult terrain. This change lasts for 1 hour.
If you cast this spell multiple times, you can have no more than two of its non-instantaneous effects active at a time, and you can dismiss such an effect as an action.

Shape Water

LEVEL 0

Class: Monk

RANGE	ACTION	SAVE
30 feet	1	-

DURATION	USES	VALUE
Instantaneous or 1 Hour	Used / Total	-

RECOVERS: S

EFFECT

You choose an area of water that you can see within range and that fits within a 5-foot cube. You manipulate it in one of the following ways:
You instantaneously move or otherwise change the flow of the water as you direct, up to 5 feet in any direction. This movement doesn't have enough force to cause damage.
You cause the water to form into simple shapes and animate at your direction. This change lasts for 1 hour.
You change the water's color or opacity. The water must be changed in the same way throughout. This change lasts for 1 hour.
You freeze the water, provided that there are no creatures in it. The water unfreezes in 1 hour.
If you cast this spell multiple times, you can have no more than two of its non-instantaneous effects active at a time, and you can dismiss such an effect as an action.

Enlarge

LEVEL 2

Class: Monk

RANGE	ACTION	SAVE
30 feet	1	13

DURATION	USES	VALUE
up to 1 minute, (CONC)	Used / Total: 1	-

RECOVERS: V, S, M, (1LR)

EFFECT

You cause a creature or an object you can see within range to grow larger or smaller for the duration. Choose either a creature or an object that is neither worn nor carried. If the target is unwilling, it can make a Constitution saving throw. On a success, the spell has no effect.
If the target is a creature, everything it is wearing and carrying changes size with it. Any item dropped by an affected creature returns to normal size at once.
Enlarge. The target's size doubles in all dimensions, and its weight is multiplied by eight. This growth increases its size by one category - from Medium to Large, for example. If there isn't enough room for the target to double its size, the creature or object attains the maximum possible size in the space available. Until the spell ends, the target also has advantage on Strength checks and Strength saving throws. The target's weapons also grow to match its new size. While these weapons are enlarged, the target's attack with them deal 1d4 extra damage.
Reduce. The target's size is halved in all dimensions, and its weight is reduced to one-eighth of normal. This reduction decreases its size by one category - from Medium to Small, for example. Until the spell eends, the target also has disadvantage on Strength checks and Strength saving throws. The target's weapons also shrink to match its new size. While these weapons are reduced, the target's attacks with them deal 1d4 less damage (this can't reduce the damage below 1).

Invisibility

LEVEL 2

Class: Monk

RANGE	ACTION	SAVE
Touch	1	-

DURATION	USES	VALUE
up to 1 hour, (CONC)	Used / Total: 1	-

RECOVERS: V, S, M (1LR)

EFFECT

A creature you touch becomes invisible until the spell ends. Anything the target is wearing or carrying is invisible as long as it is on the target's person. The spell ends for a target that attacks or casts a spell.

At Higher Levels. When you cast this spell using a spell slot of 3rd level or higher, you can target one additional creature for each slot level above 2nd.
